Antares Vision, a company listed on AIM Italia through a business combination with ALP.I, a SPAC promoted by Mediobanca, is a world leader in systems for quality control, tracking solutions to fight counterfeiting and control of the supply chain, and smart data management, in all the most demanding industrial sectors, from pharmaceuticals to biomedical devices, from food and beverage to cosmetics and fashion. It operates in over 60 countries around the world, with 4 offices in Italy, 11 offices abroad, 2 innovation and research centres in Italy and Ireland, and a network comprising over 30 partners worldwide. With 20 years of experience in vision technologies, Antares Vision supplies 10 of the world's 20 leading pharmaceutical companies: over 25,000 inspection systems guarantee product safety and quality each day, while 6,500 inspection tests and over 3,500 serialisation lines installed all over the world guarantee the traceability of over 5 billion products throughout the entire distribution chain.

PRESS RELEASE

With the aim to continue supporting the growth and development strategy, in 2019 shareholding agreements were perfected with T2 Software, a Brazilian software company, and Orobix, Italian leader in artificial intelligence services. Antares Vision acquired 100% of FT System, a leader in control and inspection in the beverage sector.
