### ANTARES VISION: FINAL RESULTS OF THE INSTITUTIONAL PLACEMENT

- **Antares Vision successfully completes its Institutional Placement**
- **Offer Price set at Euro 11.50 per Share for a total market capitalization based on Offer Price of Euro 793 million**
- **First day of trading on MTA (possibly STAR segment) scheduled on May 14, 2021**

*Travagliato (Brescia), May 12, 2021*– Antares Vision S.p.A. (“**Antares Vision**” or the “**Company**”) announces the successful completion on May 11, 2021 of the global offering of the Company’s ordinary shares (the “**Shares**”), reserved, in United States of America, to qualified institutional buyers as defined in and in reliance on Rule 144A of the United States Securities Act of 1933, as subsequently amended (the “**Securities Act**”), as well as to qualified investors in Italy and institutional investors in offshore transactions as defined in and in reliance on Regulation S of the Securities Act (the “**Institutional Placement**”), which was aimed at establishing the minimum free float necessary for the Company to be admitted to trading on the Mercato Telematico Azionario, possibly STAR segment, organized and managed by Borsa Italiana S.p.A. (“**MTA**”).

The offer received strong interest from leading qualified investors, with a wide geographical coverage, including the United States, the United Kingdom, Italy and other continental Europe countries.

Based on the requests received in the context of the Institutional Placement, 19,550,000 Shares have been allocated, of which:

- (i) 10,200,000 Shares resulting from a capital increase with the exclusion of pre-emption rights, approved by the Board of Directors of the Company on May 3, 2021, in exercise of the authority granted by the Shareholders’ Meeting on February 22, 2021 (the “**Capital Increase**”);
- (ii) 6,800,000 Shares offered for sale by the Company’s shareholders Regolo S.p.A. and Sargas S.r.l. (jointly, the “**Selling Shareholders**”);
- (iii) 2,550,000 Shares subject to an over-allotment option granted by the Selling Shareholders in the context of the global offering.

In particular, pursuant to the undertakings of certain funds managed by the Investors referred to in paragraph 5.2.2 of the Securities Note, 2,690,800 Shares have been allocated to Capital Research Global Investors and 2,685,600 Shares have been allocated to Capital International Investors.

The free float resulting from the Institutional Placement, including taking into account the current level of distribution of Antares Vision’s shareholders, will therefore meet the minimum requirements of Borsa Italiana S.p.A. for admission to trading on the MTA, possibly STAR segment.

The offer price was set at Euro 11.50 per Share (the “**Offer Price**”). Based on the Offer Price, Antares Vision’s capitalization on commencement of trading on MTA (possibly STAR segment) will amount to Euro 793 million.

## PRESS RELEASE

The EV/EBITDA and P/E multipliers associated with the Company calculated based on the Offering Price and economic balance sheet data are represented in the following table.

MULTIPLE CALCULATED ON:	EV/EBITDA 2020(*)	P/E 2020(**) (BEFORE CAPITAL INCREASE)
	24,4x	23,1x

(\*) The EV/EBITDA multiplier was determined using (i) the Enterprise Value (EV) calculated as the Company's capitalization increased, similarly to the valuation of the multiple for comparable companies, (a) of the Net Financial Indebtedness as of December 31, 2020 indicated in Section VIII of the Registration Document published on May 6, 2021 (determined in accordance with the provisions of Consob Communication DEM/6064293 of July 28, 2006 and in accordance with recommendations ESMA/2013/319), (b) of the liabilities relating to social security obligations as of December 31, 2020, (c) of the equity attributable to third parties as of December 31, 2020 and less investments in subsidiaries, associates and joint ventures as of December 31, 2020, and (ii) the Adjusted EBITDA as of December 31, 2020 indicated in Section VII of the Registration Document published on May 6, 2021, calculated by adjusting EBITDA (determined as the sum of the profit for the financial year, plus income taxes, financial income and expenses, foreign exchange gains and losses and the effects of equity method valuations of investments held as financial investments, depreciation and amortization) by non-recurring items. (\*\*) The P/E multiplier was determined using i) the Company's capitalization and ii) the Adjusted Profit for the financial year as at December 31, 2020 indicated in Section VII of the Registration Document published on May 6, 2021, calculated by adjusting the Profit for the financial year from any impairment of goodwill and other charges or income of a non-recurring nature, i.e., referring to events of particular significance that are not attributable to the ordinary performance of the reference business and the theoretical tax effect calculated on the non-recurring components listed above that are subject to tax.

The total proceeds deriving from the Institutional Placement, calculated on the basis of the Offer Price, net of the fees payable to the consortium for the Institutional Placement and the Sponsor and without taking into account the greenshoe option, amount to Euro 185.6 million, of which Euro 111.3 due to the Company, and Euro 74.3 million in aggregate due to the Selling Shareholders. In case of full exercise of the greenshoe option, a further Euro 27.8 million (net of the mentioned fees) will be due to the Selling Shareholders.

The first day of trading of the financial instruments of Antares Vision on the MTA (possibly STAR segment) and the settlement date of the Shares, are currently scheduled on May 14, 2021.

necessary to evaluate an investment in the Company or any of its securities and should not be relied upon in connection with, nor form the basis of, any contract, commitment or investment decision of any kind.

*This press release is intended to present basic information about the Company, its activities and the industry in which it operates and is not intended to provide full disclosure on which an investment decision might be made. The merits and suitability of investments in the Company must be independently assessed and determined by investors. The analyses contained in this release do not constitute, and do not purport to be, valuations of the Company's assets, stock or business and do not constitute advertising material relating to financial instruments. Any decision regarding the exercise of rights and the subscription of securities of Antares Vision in the context of the offering must be made solely on the basis of the information that will be contained in the Prospectus approved by Consob, issued by the Company in connection with the admission to trading on the MTA. The approval of the Prospectus by Consob shall not constitute an evaluation of the economic and financial soundness of the transaction and the quality or solvency of the Company. It is recommended that anyone considering an investment in the Company should obtain independent advice on legal, tax, accounting, regulatory, financial, credit and other matters before making an investment. The Prospectus is available at the registered office of Antares Vision and on the website [www.antaresvision.com/investors/1857/investor-relations](http://www.antaresvision.com/investors/1857/investor-relations) following its approval by CONSOB.*

*None of the banks acting as joint global coordinators and/or joint bookrunners in the contest of the potential initial offering (the "Managers") or any of their respective directors, officers, employees, advisers or agents accepts any responsibility or liability whatsoever for or makes any representation or warranty, express or implied, as to the truth, accuracy or completeness of the information in this announcement (or whether any information has been omitted from the announcement) or any other information relating to the Company, its subsidiaries or associated companies, whether written, oral or in a visual or electronic form, and howsoever transmitted or made available or for any loss howsoever arising from any use of this announcement or its contents or otherwise arising in connection therewith. Nothing contained herein is, or shall be relied upon as, a promise or representation by the Managers in this respect, whether as to the past or future. None of the Managers assumes any responsibility for its accuracy, completeness or verification and accordingly the Managers disclaim, to the fullest extent permitted by applicable law, any and all liability whether arising in tort, contract or otherwise which they might otherwise be found to have in respect of this announcement or any such statement. The Managers are each acting exclusively for the Company and the Selling Shareholders in the transaction referred to in this announcement and for no-one else in connection with any transaction mentioned in this announcement and will not regard any other person (whether or not a recipient of this announcement) as a client in relation to any such transaction and will not be responsible to any other person for providing the protections afforded to their respective clients, or for advising any such person on the contents of this announcement or in connection with any transaction referred to in this announcement. The contents of this announcement have not been verified by the Managers.*

*Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended ("**MiFID II**"); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; and (c) local implementing measures (together, the "**MiFID II Product Governance Requirements**"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the MiFID II Product Governance Requirements) may otherwise have with respect thereto, the shares of the Company (the "**Shares**") have been subject to a product approval process, which has determined that such Shares are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in MiFID II; and (ii) eligible for distribution through all distribution channels as are permitted by MiFID II to such target market (the "**Target Market Assessment**"). Notwithstanding the Target Market Assessment, distributors should note that: the price of the Shares may decline and investors could lose all or part of their investment; the Shares offer no guaranteed income and no capital protection; and an investment in the Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the offering. Furthermore, it is noted that, notwithstanding the Target Market Assessment, the joint global coordinators and joint bookrunners will only procure investors who meet the criteria of professional clients and eligible counterparties.*

*For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Shares. Each distributor is responsible for undertaking its own target market assessment in respect of the Shares and determining appropriate distribution channels.*
